MEMORANDUM TO THE OCB WORKING GROUP ON PSB D-23 (THAILAND)

SUBJECT: Addendum to Progress Report, January 27, 1954

1. The working group's report to the Executive Officer, OCB, is scheduled for consideration by the OCB Assistants on February 12.

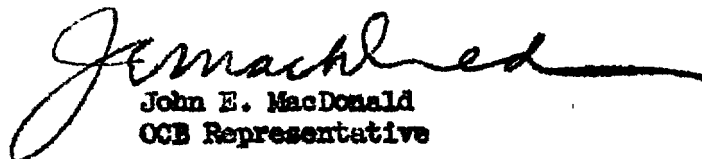

2. FOA has suggested that an explanation of the recommendation in respect to Phase II in Paragraph II. B. on page 1 would be desirable. The revision would result in the following:

"B. Phase II not be initiated at present, because Phase I has not been completed and the situation outside Thailand does not require it, but that planning for the various aspects of Phase II be continued."

Please inform me if this revision is acceptable. Upon receipt of agency clearances, I will notify the working group members so that the Board Assistants may in turn be advised.

3. The NSC Reference was inadvertently omitted from this report. It should be added and will be placed as follows directly under the subject:

"REFERENCE: NSC Action No. 900"

John E. MacDonald
OCB Representative
